

More Than 1000 Alumni Will Return to Campus for Homecoming Day!

Historic Towers of College

Alumni returning for Homecoming will enjoy seeing again the towers of the Administration building around which much of the history and lore of the College is built. When campus lights are focused on them at night their shadows in the sky may be seen for miles and miles around Maryville.

Seniors Elect Four New Class Officers

President Eddie Reese, Naval Veteran, Comes From Brownington.

Eddie Reese is the newly elected president of the Senior Class. He gained this honorable position after a close run-off with the other candidates. Eddie, a naval veteran, hails from Brownington. At present, he and his bride of two months make their home at College Heights. Majoring in commerce and minoring in economics, Ed is working toward his A. B. degree. He is also a prominent member of the Phi Sigma Epsilon fraternity and the Social Committee.

The vice presidential position has been filled by Helen Fisher who gained this honor on the first ballot. St. Joseph is the former Tower Queen's home town. Helen is a business major and an English minor. Her other activities include the presidential position of the Sigma Sigma Sigma sorority and membership on the Student Social Committee.

Proving the anecdote that employers like red-haired secretaries is Betty Davis, Lock Springs. Betty is a vocational home economics major, and is also affiliated with the Sigma Sigma Sigma and the Kappa Phi Omicron.

Ruth McDowell of Maryville is the financier of the Senior Class. Ruth, besides acting as treasurer, is active in the Sigma Sigma Sigma sorority. A major in music and a minor in English round out her academic work.

Band Members Proudly Display New Uniforms

Members of the College band are proud of their new uniforms, dark green with gray trimmings and silver buttons, strictly West Point military style. Observe the Bearcat patch insignia on the left shoulder!

The band will appear in the uniforms for the first time on Saturday, October 29, in the parade up town and at the game.

Mr. John Smay is kept busy drilling the recruits in the College marching band. In fact, the band is in fine shape and ready to put on a great show in the sixty new uniforms plus special costumes of the majorettes.

College Will Classify Purebred Jersey Herd

Reclassification of the College farm purebred Jersey herd will be held Thursday, October 20. Last previous classification of the herd was in September, 1947. Since that time eleven head of additional cattle are ready for classification.

Mr. M. J. Regan, extension dairyman will be the judge of the herd.

NOTICE

The Independent Club extends an invitation to every student of Northwest Missouri State College who is not in a social fraternity or sorority to attend a meeting tonight in the Bearcat Den at 7 p. m. The purpose of this club is to give its members an organization that maintains good friendship, enjoyment, and social progress. The doors are open to freshmen as well as to the seniors. To be a successful INDEPENDENT is an honor!

Students Give Musical Program at Assembly

Students of the College presented a musical program today at the assembly which consisted of piano, clarinet and violin numbers along with vocal solos and a medley of barber shop tunes.

Members of the student body taking part in the assembly were: Beverly Dunlap, junior, Cameron; Harold Tarpley, junior, Maryville; Don Prindle, senior, Coffey; and Norman Clouse, senior, Grant City; Marion Sherer, junior, Grant City; Ruth McDowell, senior, Maryville.

Vocal representatives were Bonnie Polk, junior, Sidney, Iowa; J. C. Hall, sophomore, Watson; Don Stegman, graduate student, King City; Manley Vance, senior, King City; and Dick Miller, sophomore, Dearborn.

Sigma Phi Swim Club Plans Co-ed Swim Party

Isabelle Nash, St. Joseph; Shirley Jennings, Ottumwa, Iowa; Mary Burger, Van Meter, Iowa; and Barbara Bolinder, Sandriken, Sweden, have joined the Sigma Phi Dolphin organization.

Members of the club are making plans for a co-ed swimming party and are planning to sell mums for Homecoming.

Coleman Is in Chillicothe Billy S. Coleman, Class of '48, is teaching junior high school mathematics at Chillicothe.

Ever Hear of Betta Cambodia?

Ever hear of a Black Mollensia or Betta Cambodia? For those who aren't acquainted with these terms they are names of various tiny, tropical fishes. Mr. William T. Garrett, chairman of biology department, has an interesting display of these exotic specimens in the biology room.

Included in the assortment are Guppies, Moons and Danias or Zebra Fish in addition to the Mollies or Black Mollensia and Betta Cambodia. They vary in size from Guppy, the male of which reaches a length of an inch and a fourth, to the monstrous Cambodia which may grow to be three inches long. All are brightly colored creatures, prolific, and with the exception of

College Registrar Announces Change

Pre-Registration Date Is Arranged for Winter Term Schedules.

Pre-registration for the winter quarter will be from November 1 to November 11. All students who care to register early should see their faculty advisers and make specific appointments for conferences with them.

This suggestion is being made to avoid the last minute rush and give the advisers enough time for proper advising, according to Mr. Robert Foster, registrar.

The students will arrange schedules with the advisers, using trial schedule cards. When trial schedule cards are signed, they then have to be presented at the registrar's office. All permits for any classes which are sectioned will be obtained at this time.

Registration booklets will be given to students after permits are obtained. The students will return the registration booklets and forms (permits) to the faculty advisers. The faculty advisers in turn will file these registration forms. On registration day the advisers will check registration forms with the previous quarter's grades, so as to make any changes necessary.

This action is not compulsory. Students do not have to complete pre-registration. The reason for the suggested change is that Mr. Foster feels it will speed registration considerably and will provide more efficient advisement for the students.

Congressman Judd Believes in U. N.

Two Ideologies Can Live Together if Both Will Obey Same Rules.

The formation of a "club within a club" will rescue the United Nations, Congressman Walter H. Judd of Minnesota, a former physician and missionary in China for nine years, told teachers attending the teachers' meeting at the College.

"If the Soviets will not agree to charter amendments that would make all members subject to the same laws—we do not need to withdraw or to drive anyone out. We should organize on a closer basis with all the nations that will agree—not outside the United Nations, but inside it," he said.

"Just as Communist-dominated members of the United Nations have always been a 'club within a club,' so, under Article 51, all the free nations can unite firmly for collective self-defense in another club, leaving the door open for the Soviets to join if they want to abide by the rules."

Manner of Rescue Dr. Judd pointed out that the formation of such a club was what our forefathers did at the constitutional convention. They drew up a tighter, more workable plan within the confederation and stipulated that when nine of the thirteen states ratified it, it would be set up.

"This is not the way to wreck the United Nations—this is the way to rescue it," he believes.

Dr. Judd, who is a prominent leader in Congress for world collaboration, said the weaknesses which have brought U. S. to this ominous period have not been primarily military or economic. "Our greatest failures have been in the political, ideological and moral fields." He explained that "we have had physical separation from the rest of the world so long that our younger generation has never been challenged to become specialists in international relations or masters of the art of diplomacy."

(Continued on Page Two)

Fall Enrollment Shows Increase Over Last Year

Students from twenty-five states, four foreign countries, and the Canal Zone are enrolled in the College this fall.

All four corners of the United States are represented with students from Washington, California, New York, and Florida. Two students from Sweden, and one each from Holland, China, and Peru make up the foreign enrollment list.

This year there has been an increase of 4 per cent in the total enrollment over last year despite the decrease of 30 per cent in the veterans' enrollment in the College.

Dr. J. W. Jones Attends Conference at Memphis

Dr. J. W. Jones, president of the College, spent October 10, 11, and 12 in Memphis, Tennessee, where he attended the Fourth National Conference of County and Rural Area Superintendents.

President Jones took part in a symposium, the theme of which was "Effective Program of Educational and Professional Growth for All School Personnel."

He is the only college president to attend all four of the national conferences that have been held. At each conference he has appeared as a member of a panel group.

On his way back from Memphis, the President stopped at Southwest Missouri State College, Springfield, where he was the guest of President Ellis at the Maryville-Springfield game Friday, October 14.

On October 17 the President was in Jefferson City attending an Educational Conference. This meeting was called by State Commissioner Hubert Wheeler. Current educational problems were discussed.

Benny Strong Provides Music for Homecoming

"The man who sings the old songs," Benny Strong and his orchestra will provide the music for the Homecoming Dance to be held Saturday night, October 29 at 9:00 at the gymnasium. Miss Betty Bryan will be featured as vocalist.

BENNY STRONG

Benny Strong's counter-point introductions and endings and danceable tempos are instantly recognized on the air and serve as a familiar trademark for the Strong band of music.

The orchestra features "hot-type" sweet music with a lift. The violin section is spotlighted in the waltzes and the many classical selections arranged in jance tempo. However, unlike many other hotel-styled orchestras, Benny Strong knows the value of entertainment features such as comedy, ensemble singing and novelty numbers, and provides a liberal sprinkling of each for variety. Why not drop in to the Bearcat Den and listen to some of his records?

Barbara Munson Will Organize Variety Show

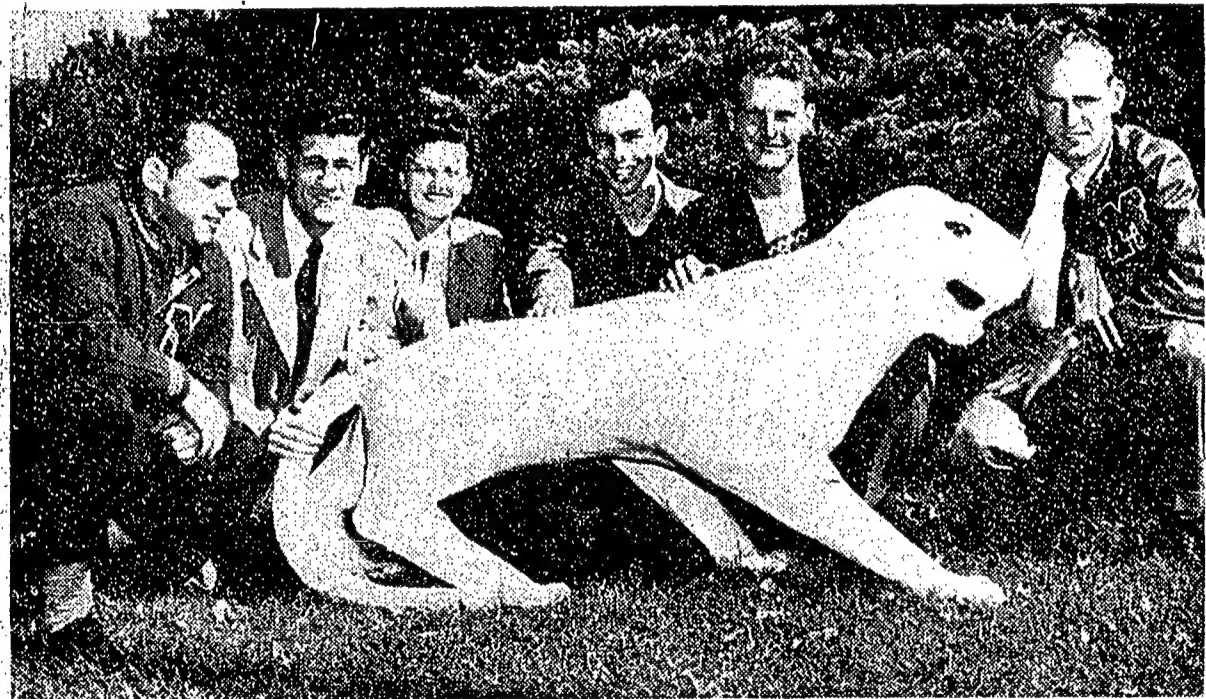

Friday night, October 28, at 7:30 o'clock the curtain will rise on the Homecoming Variety show at the College auditorium. Barbara Munson is to be mistress of ceremonies.

Organizations competing for top honors of the night will be Alpha Sigma Alpha, Sigma Tau Gamma, Sigma Sigma Sigma, Phi Sigma Epsilon, Delta Sigma Epsilon, Alpha Phi Omega, Independent Club, Agriculture Club, Intermediate Club, Dramatics Club, Dance Club and Association of Childhood Education.

No theme has been chosen for the show. However, the whole program is built around a major variety entertainment, and the choice of a theme is left up to individual or group choice.

To the skits receiving the honor of the judges, points will be awarded instead of monetary prizes. These points will apply toward the winning of the Homecoming queen, trumpet; Roy Jenkins, tenor saxophone; Bob King, alto saxophone; Don Snyder, baritone saxophone.

These Prepare for Battle With Indians

Again the Bearcat leaves his den to check on student preparations for Homecoming day and the battle with the Cape Girardeau Indians. With him are Don Hartness, co-captain of the football team; Sam Carpenter, president of the Student Government Association; Jane Bovard, co-chairman of the Homecoming committee; Monty Flitner, cheerleader; Bill Elam, co-chairman of the Homecoming committee; and Norman James, football co-captain. Marvin Weed, also a co-captain and the player who led the team to victory at the 1948 Homecoming, is not in this picture.

Refresher Sketches of Bearcat Alumni

Homecoming is one of the most significant affairs of the school year's agenda. It is an occasion which imparts fond memories to the students, a time of reminiscence for the old grads.

The variety show, the parade, the dance, all are features on the big day's program. But what is more important than the football game, the thrilling battle on the gridiron? Perhaps it is appropriate to mention a few of the athletes who distinguished themselves as Bearcats in the past Homecoming games and are now pursuing their chosen work.

The Kurlright boys of the '39 squad are both coaching. Ralph is athletic director at Albany and his brother Joe is at Jacksonville, Florida.

G. Goslee, '39, is a successful farmer living near Skidmore. Superintendent of schools at Rock Port is Don Johnson, also a '39 grad.

Is there a lawyer in the crowd? Sure enough. Having continued his academic study at Missouri University after being a Bearcat in Maryville.

Bob Gregory and Paul Wilson of the '40 team are athletic mentors at Maryville high and Shenandoah, Iowa, respectively.

Vern Weidemar and Paul Gates, '47 graders, are now coaching at Stuart, Iowa.

Teaching industrial arts at Sedalia is Howard Glavin, '46. Of most recent notability are the '48 grid players. In the coaching field are Bill Gamble and Larry Zible at Bethany, Maury Gels at Corning, Iowa, and Paul "Humphrey" Butcher at Madrid, Iowa.

Floyd Klang, stalwart of the line, is doing graduate work at Missouri University. Marian Freeman, dependable extra point kicker, is teaching industrial arts and is assistant coach at Chillicothe.

Outsiders Will Select Five Queen Candidates The method of selecting the Homecoming queen this year will differ from that of past years, according to Sam Carpenter, president of the Student Government Association.

All organizations will choose the individual that they desire to be the queen. All selections will be presented to the student body at the close of the assembly today. A committee consisting only of outsiders (not faculty or students) will select the five most attractive competitors.

On Wednesday, October 26, the student body will vote to select one of the five candidates. The successful aspirant will be presented and crowned at the Variety Show on Friday, October 28.

New College Dance Band Makes Music This Year

This fall a new dance band, under the leadership of Bob Ward, has begun to take shape. The main reason for its organization is to make money.

The tentative list of musicians, as announced by the leader, are as follows: Bob Ward, drums; Don Sondecke, piano; Lyle Martin, guitar, Jack Clark, trumpet; J. B. Wilson, trumpet; Roy Jenkins, tenor saxophone; Bob King, alto saxophone; Don Snyder, baritone saxophone.

Welcome

For weeks we here on the campus have been looking forward to the day when graduates and former students will return to join with us in backing our team in the game with the Southeast Missouri State College, and to renew old acquaintances and make new ones as we enjoy the many activities that have been prepared for the celebration.

Many students, faculty, and citizens of Maryville have cooperated to make this Homecoming a success. Such cooperative effort guarantees that YOUR college will have a fine celebration. All students and faculty members will be hosts to our returning friends and we shall all do our best to make this Homecoming Day a happy one for all who return to our campus.

J. W. Jones, President.

Council Announces New Faculty Members for '52

New members of the Faculty Council for the Class of 1952 are as follows: Mr. Buford W. Garner, business department at Horace Mann; Miss Dorthie C. Hall, English department; and Mrs. Elaine Mauley, foreign language department.

Miss Bonnie Magill, acting chairman of the women's physical education department, will serve on the council in the place of Miss Wincie Ann Carruth who is on leave of absence from the College.

Miss Mattie Dykes Has Returned to Missouri

Miss Mattie Dykes, of the English department, who suffered a broken shoulder in an automobile accident at Manitou, Colorado, August 18, returned to the campus Monday, October 17.

Miss Dykes remained in the hospital at Manitou from August 18 to October 8.

The accident occurred at an intersection in Manitou when an automobile hit the rear wheel of the car in which Miss Dykes was riding. Mrs. M. E. Ford, wife of the president of the Board of Regents, suffered four broken ribs in the same accident.

Mr. Ford and other passengers in the car had slight injuries.

Homecoming Pep Rally Follows Variety Show

Plans are under way for a pep rally to be held at Memorial Stadium, Friday, October 28, immediately following the Variety show.

There will be speeches, songs and cheers in order to build up enthusiasm of alumni, students and team. Participating in the rally will be the Bearcat coaches, Bearcat captains, Green and White Peppers, Barkatze, band and cheerleaders.

Those on the Homecoming committee are Miss Mary Evelyn Goodman and Miss Jessie Jutten, faculty advisers; Marge McGee, student chairman; a representative from the Barkatze, Green and White Peppers, band, and captain of the cheerleaders.

Andy Runge Represents Drama Andy Runge will represent the Dramatics Club on the World Student Service Fund committee.

Kappa Delta Phi Plans Fall Membership Drive

Members of the Kappa Delta Phi fraternity elected the following officers at a recent business meeting: Bill Christenson, president; Donald Pringle, vice president; and Helen Fisher, secretary.

Chapter members discussed a membership drive to take place after Homecoming. The qualifications for membership for undergraduates shall be full junior collegiate standing; general scholarship of a grade above the upper quartile point of the institution, the total previous collegiate record of the student to be taken into account; work in education completed or in process of completion during the current session to the extent of at least 6 semester hours. If elected during the senior year, the student will need 12 semester hours.

Other qualifications consist of desirable personal habits, leadership attributes, and an interest in the field of education. If any junior or senior in the field of education is interested and thinks he can meet the above qualifications, he should see Irving Silver, senior, or one of the faculty sponsors, Dr. John L. Harr, Mr. H. T. Phillips, or Miss Katherine Franken.

Parade Will Begin at 10:45 Beginning at 10:45 Saturday morning, the Homecoming parade will wind its way through the business district of Maryville. This year's parade will include approximately 20 floats, 14 high school bands, clowns, jolopies, and other group and individual surprise features.

Besides wall plaques for the best floats there will be cash prizes this year of \$50 for first place, \$35 for second place, \$20 for third place, and \$10 for fourth place.

Memorial Stadium Will Be Scene Recently completed Memorial stadium will be the scene of the clash between the Maryville Bearcats and the Cape Girardeau Indians. The game, which will begin at 2 o'clock will be preceded by band music furnished by the College band. Members of this organization will be displaying their new uniforms for the first time.

Following the game, President and Mrs. J. W. Jones will have an informal open house for students and alumni. There will also be an informal open house at Residence Hall.

Benny Strong Will Play Benny Strong and his band will take the spotlight Saturday evening when they will play for the Homecoming dance.

Strong is featured as "cover" (Continued on Page Four)

LOUIS CROWDER

to make music a career was not reached until he was eighteen. He has appeared as soloist with the Chicago Symphony, the Pittsburgh Symphony and other orchestras here and abroad. In 1947, by invitation from the Norway-American Association, he gave a series of recitals in the principal cities of Norway.

While on this campus he will have the following schedule: Thursday, informal concert, 10 a.m.; formal recital, 8:15 p.m.; Friday, informal concert, 10 a. m.

Ivaldene Crabtree Is Elected Ivaldene L. Crabtree has been elected to represent the Dramatics Club for Homecoming queen.

College Plans Gala Events for Visitors

Variety Show Comes First With All Organizations Contributing Talent.

Everyone Has Festive Spirit

President and Mrs. Jones Will Hold Open House After Football Game With Cape Girardeau Indians.

More than 1000 alumni are expected to return to the campus next week when Northwest Missouri State College will lay out a special "welcome mat" for the 1949 Homecoming.

This year's plans include a variety show, pep rally, a giant parade, the football game, a special dance, and other entertainments for the returning grads.

Business Men Give \$500 Because of the generosity of the Maryville Chamber of Commerce this year's committee has an extra \$500 to use for Homecoming activities. This money will be used for cash awards, trophies, the dance band and other expenses.

Not only will the campus itself be "decked out" for the occasion but many houses on College Avenue and Fourth street near the entrance to the campus will also be specially decorated.

Decorations Will Be Judged These houses will be decorated by competing organizations and will be judged both during the day and at night. Trophies will be given for first, second and third place winners.

One of the most popular Homecoming events of past years has been the variety show. This year's program will begin at 7:30 o'clock Friday evening in the auditorium. It will be climaxed with the crowning of Homecoming queen.

Barbara Munson Will Preside For the first time in Homecoming history there will be a mistress rather than a master of ceremonies. Barbara Munson, a senior and member of the Alpha Sigma Alpha sorority, will preside at the program.

Twelve organizations will compete for trophies in the two and a half hour show. Each organization will present an original surprise skit. Bob Ward and his combo will provide music between numbers. A pep rally complete with bonfire and a snake dance will follow the variety show. It will take place on the football practice field.

Parade Will Begin at 10:45 Beginning at 10:45 Saturday morning, the Homecoming parade will wind its way through the business district of Maryville. This year's parade will include approximately 20 floats, 14 high school bands, clowns, jolopies, and other group and individual surprise features.

Besides wall plaques for the best floats there will be cash prizes this year of \$50 for first place, \$35 for second place, \$20 for third place, and \$10 for fourth place.

Memorial Stadium Will Be Scene Recently completed Memorial stadium will be the scene of the clash between the Maryville Bearcats and the Cape Girardeau Indians. The game, which will begin at 2 o'clock will be preceded by band music furnished by the College band. Members of this organization will be displaying their new uniforms for the first time.

Following the game, President and Mrs. J. W. Jones will have an informal open house for students and alumni. There will also be an informal open house at Residence Hall.

Benny Strong Will Play Benny Strong and his band will take the spotlight Saturday evening when they will play for the Homecoming dance.

Strong is featured as "cover" (Continued on Page Four)

Green-White Pep Club Initiates New Members The Green and White Peppers have initiated 23 new members! Misses Lorita Young, Kathleen Gross, Beverly Dunlap, Alyce Cross, Georgia Kirwan, Pat Agan, Nadine Cramer, Shirley Jennings, Marjorie Lewis, Doris McGinness, Joan Cooper, Joan Magnuson, Lois Queck, Jane Costello, Jean Long, Sue Condon, Jo Ellen Wilson, Martha Ingles, Betty Stroud, Alice Ward, Betty Williams, Joyce Bailey, and Sandra Gardner are the peppy addition. New uniforms, consisting of attractive green skirts and white jackets have been ordered for the new members.

Friday night, October 7, the Peppers managed the concession stand at the Maryville-Rolla game.

STUDENT UNION

The idea of a student union has long been a topic of discussion, but it now looms as a definite possibility. Through a cooperative investigation of administration and students, it has been found that a student union is both practical and desirable. A fact finding committee, which was appointed by the Student Senate, submitted a question form to each organization on the campus in order to obtain a consensus of student opinion. It was found that the students themselves are actually interested in having a union which will provide recreation and entertainment.

Location and beginning date of construction of the union have not yet been decided, but the Board of Regents has voted that a dollar be added to the quarterly activity fee which each student pays. This money will be used for the development and upkeep of a union.

If the students continue to show their interest in a union, the administration will do everything in its power to see that this union idea is consummated.—Pitner and Guthland.

WHERE ARE THE VOICES?

Enthusiastic cheering is as necessary at a football game as hotdogs smothered in mustard. At the first home grid contest you were in the stadium along with fellow students, and while you anticipated each play on the gridiron perhaps there was a consciousness of mingled shouts and handclapping. But where were the vibrant voices that would rock the bleacher foundation and bring a tingle of fighting spirit to the warriors on the turf?

Vocal approval by all who support the team should greet each play made by the clashing Bearcats on the battlefield. All squad members know a resounding ovation during game time is a partial reward for sweat, bruised bones, and daily contact workouts.

Let's every one be a member of the cheering chorus as Northwest State grid fans at all games. We will be tutored by seven conductors dressed in white. Our hurrahs will mingle with other cries as our chants disturb the air and reverberate over the campus in thundering cheers toward victory! —C. D. Knodle.

LET US ACT NOW

What we need to fulfill our social life is a student union. We need a place to dance, to laugh, to smoke, to eat, and to loaf.

Other colleges I have visited have a place for students to gather before and after programs, ball games and other college events. It is a starting place for all parties and a place to spend leisure hours. It furnishes a place to go between classes and on lonely evenings.

These student unions have pin-ball machines, table tennis tables, card tables, soda fountains, place to dance, and soft lounges where students can sit, talk and forget their worries.

Let us act now, through our Student Senate, to obtain a student union.—Jack Highley.

IT IS LATE!

An almost universal practice in Veterans' Village has grown to dangerous proportions recently. We mean the practice of parking cars on the drive through the Village. Not only is the drive too narrow, but there are many small children in the Village who might dart from behind one of these cars squarely into the path of a moving car! An incident of this sort almost happened the other day, and might happen at any time. Let's watch this habit and find another parking place!—Truman Geer.

SENATE NOTES

The Student Senate convened, Thursday, October 6, with Sam Carpenter presiding.

Use of the Bearcat Den, October 29, was granted to the Barkatze pep organization for its annual alumni chili supper.

A plan was submitted to President J. W. Jones for the reserving of Section C in Memorial Stadium for the students of the College. The pep organizations were granted the lower left and right portions of the section.

Ken Parsons was appointed chairman of the Homecoming game refreshment stands. The Senate will endeavor to operate two stands to relieve overcrowding and to facilitate better service.

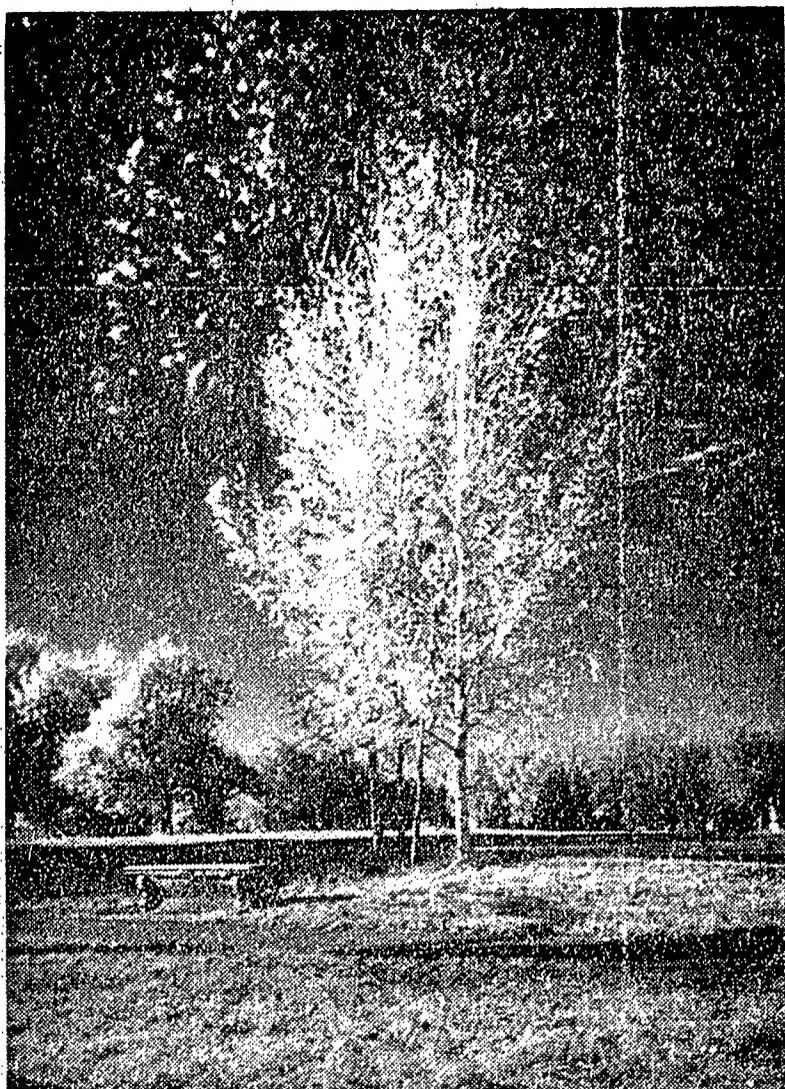

Reports were heard from the fact finding committee on a Student Union. The following organizations have pledged their support: Alpha Sigma Alpha, Cooperative Independents, Delta Sigma Epsilon, Phi Sigma Epsilon, Sigma Sigma Sigma, and Sigma Tau Gamma.

Pat McClaren, freshman, was appointed as secretary to the Student Union committee; her work thus far has been invaluable. The members of the committee are Bob Guthland, chairman, Frank Johnson and J. D. Elliott.

Manley Vance and J. D. Elliott were appointed to a committee to obtain a trophy case for the Homecoming trophies. The trophies will be exhibited in the Bearcat Den for one year and then they will revert to their owners when replaced by the following year's trophies.

"Every Student Get a Student."

Birch Trees in Autumn

The brilliant beauty of autumn on the campus is caught in this scene of the bench and the young birch trees although there are other scenes equally beautiful to be found throughout the campus at this time of the year.

Dr. Myking Mehus Visits Scandinavian Countries

Dr. O. Myking Mehus, former member of the social science department at the College, tells in a recent letter of a trip to Norway and Denmark.

Dr. Mehus speaks the language of this region, and talked with farmers, school teachers and members of parliament. The impression he gained of Norway was a highly optimistic one. He writes, "there is no illiteracy in Norway and Denmark; neither are there any slums, and crime is practically unheard of."

Norway has an atmosphere of culture and refinement according to Dr. Mehus. The homes have handpainted pictures on the walls and classical books in their libraries.

Some of the problems the Norwegians face are scarcities of meat, fruit, vegetables, and clothing.

Clothing is very scarce and the people are still wearing their "Sun-

day-go-to-meeting" clothes that they wore ten years ago. Although Norway was hard hit during the German occupation, Dr. Mehus says the people are industriously rebuilding their country without whining or complaining.

AAUW Announces New Officers and Chairmen

Officers and committee chairman for the American Association of University Women for this year are as follows: president, Miss Mabel Cook; vice president, Mrs. Donald Haynes; secretary, Mrs. M. J. Giles; treasurer, Miss Mabel C. Winburn; education, Mrs. Gerald Stults; international relations, Miss Jessie Jutten; social studies, Mrs. Ralph Hotchkiss; creative arts, Miss Olive DeLuce; economic and legal status of women, Mrs. Robert Gee.

Membership, Mrs. Donald Haynes; fellowship, Miss Chloe Milliken; legislative program, Miss June Cozine; publicity, Miss Rachel Taul; program, Mrs. Harry Sheetz; and hostess, Mrs. Doris Ewing.

Platter Notes... by Johnny

Seems as though your columnist has committed the cardinal error. Accidentally (?) used "Downbeat's" record review to head this bit of sense and nonsense. With all due apologies, I'll see if I can find one somewhere else.

As danceable tunes are always in demand, you might go for an occasional South American ditty. Carmen Cavallaro has just released two sides of Latin rhythms. "Miami Beach Rhumba" is the poorer of the two, lending poor background to Carmen's sparkling piano. A very lively rhumba is "Cancion del Mar," with strange but interesting chording. Now! One of you Spanish cats can tell me what that last title means.

That "Sentimental Gentleman," Tommy Dorsey, has again struck oil in his newest album release, "And the Band Sings, Too." Frank Sinatra and Jack Leonard are co-starred in the vocal department, with the whole band doing a retake on some of the choruses. The six sides of good ol' T. D. stylings are "Sweet Sue," "East of the Sun," "I'll See You in My Dreams," "How Am I to Know?" "Blue Moon," and "Yearning." All are smooth and the best in pop music, but "East of the Sun" gets my vote for the best.

Hitting the vocal spotlight again (or I should say still) is this fellow Eckstine. Though cut 18 months ago, his recent release of "Body and Soul" expresses all that such a lovely song deserves. Billy's other side is a rather tepid arrangement of "It Love Is Trouble." The Ella Fitzgerald-Chick Webb combination has also uncovered some oldies. Re-waxed and re-released, the 1936 cutting of "Undecided" and "A Tisket, A Tasket" gives a chance to compare the Ella of old with our 1949 version. Good, even then, there is no comparing the old with the new. A fine jump vocal is "The Hucklebuck" which seems to have taken the country by storm. Hummm! It seems that we heard one version rendered at the "Walkout Day" variety show.

Bloop-bloop to you, too! Bop-time in Maryville! Yes, here's the top in bop. That all-around sax man, Ventura, again tops my list with his releases of "11.60" and "C-Jam." Both of these were arranged by Lou Stein, one of the greatest goatee-beret arrangers. As usual, the tenor work on the latter is the best. Charlie V. is undoubtedly an all-time great.

A new kick for the Nat Cole gang is evident in their boppy vocal of "It's All Over Now." This King Cole waxing is no longer a trio stint, with the addition of one of the nation's better bongoists. And while we're on the subject of "Bop," let's hear some of that argument I talked about last time. What? No publicity hounds?

Want to go to sleep some night after a bout with the books? Just place Dvorak's "New World Symphony" on the turntable. Guaranteed to have you sawin' logs in five minutes! Far from boring, its soothing strains are enough to pacify anyone.

Ol' you must trip along now for a foto-a-foto with an accounting problem. See you pore soles next issue (if some anti-bopper doesn't slit my throat first).

Twenty Years Ago

Mr. Henry A. Foster, head of the social science department of the College, received a letter stating that Stanford University, California, had granted the degree, Doctor of Philosophy, to him.

Mr. C. E. Wells, librarian, and Miss Lucille Brumbaugh, assistant librarian, left for Jefferson City to attend the annual meeting of the Missouri Library Association. Miss Brumbaugh is treasurer of the association.

Coach "Lefty" Davis says Bearcats will have a lighter team than Bears, but Bearcats are doped to win. In the lineup for the Maryville team is Ryland Milner, quarterback, Oklahoma City, 145 pounds, freshman.

Ten Years Ago

Almost fifty percent of American teachers are working in farm and village schools. The average salary per annum is \$875.

Bearcats chalk up twelfth straight victory by felling over Sioux Falls, South Dakota team, 48 to 0. In five games, Bearcats score 102 points to opponents' 7.

The problem of how students should best utilize time over week ends is met with the possible solution of classes on Saturday morning.

The first in a series of dances to be sponsored by the Student Social Committee will be given Friday afternoon. Mr. and Mrs. Sterling Surrey will be honor guests.

Hilltop Highlights

Academically Speaking
CONGRESSMAN JUDD'S rousing and velly interesting speech taking top honors at the N. W. Teachers meeting. "Welcome back to Miss K. Franken after her unfortunate illness." Orchids to President J. W. JONES and his fine support in helping to establish a STUDENT UNION on the campus. ... everyone smiling again now that mid-term examinations are over.

Bearcat Briefs

Hats off to the valiant Bearcats and their fight against the burrowing MINERS. ... Stars of the game. ... JOHN YURCHAK and PAT VINCE ZUCHOWSKI. Thanks to the support of the new and fast growing QUARTERBACK CLUB at the last game. ... Overheard during practice. ... HOCHENAUER'S suggestions of using the huddles for a quick game of "galloping dominoes." ... Defense men grumble that they would rather try to stop a bulldozer than to stop M. WEED.

The Social Spotlight

The TRI SIGS' banquet at the country club. ... All the pretty youngens at the DELTA SIGS' informal dance at the Den, Saturday night. ... ALPHA SIGS' determined and successful "rush" season. ... Uptown to the SIG TAUS' new chapter room; they say it will be nothing but nice! ... PHI SIGS' smoker plus a new crop of pledges to the organization. ... the INDEPENDENTS' meeting where debating societies are formed. ... Orchids to these organizations for their support of a tentative, temporary STUDENT UNION.

After Hour Stuff

Life at the QUADS is worth living especially with "FRITZIE," the BROWNS' new dachshund adding humor to the sometimes stolid scene. ... RESIDENCE HALL doing a land office business as far as males are concerned. ... VET VILLAGE interior decorators getting into shape for a long, cold winter. ... Favorite of the after hour (10:30) haunters is MAC'S and those cups of joe. ... Bye now! The Highlighter.

CONGRESSMAN JUDD BELIEVES IN U. N.

(Continued from Page One)
ference tables and excels, frequently playing with us as a cat plays with a mouse.

"Our hopes of avoiding disaster lie in mobilizing to the utmost our strength and skill in political and ideological fields as well as economic and military," he said.

Judd brought out the government's tragic plan of opposite policies on opposite sides of the world.

"In Europe, we said, 'We will help you only if you keep the Communists out of your government.' In China we said, 'We will help you only if you take the Communists in.'"

Says Reversal Necessary
"Unless immediately there is a drastic reversal of policy in Asia, history can only record that we defeated Japan, but Russia won the war in the Pacific."

"By refusing to give vigorous, effective support to those opposing Communist aggression in China, because they did not yet come up to our standards, we actually intervened in favor of the Communists—the worst possible alternative."

"That is the measure of how immature we still are in the political and ideological fields," he admonished.

Dr. Judd pointed out that actual peace can come only when the world is united. This can come about by only two ways—conquest and agreement.

Get Two Worlds Together
"We don't believe in conquest. We don't want conquest of us by

The Stroller

The Stroller just got to the library in time to catch one of the reserve books for Dr. John Harr's history class. It would be the book that is the hardest to read.

She started to go to the book store but it was so full of working people, Homecoming, you know, that she felt lost. She told June and Bill that she was too busy with her dates to work on a committee. Wonder why they didn't put her on one anyway!

Extra! Extra! Read all about it!!! The Stroller just received the straight dope on the Homecoming Queen. Who, how and when she will be elected!

Guess what! The Barkatze are not all Tri Sigs and the Green and White Peppers are not all the Alpha Sigs. There are Deltas in both, you know!

While strolling over the campus, the Stroller stumbled over several couples out enjoying the warm sun and the beauty of the campus.

The Stroller thinks it wise to inform some people that Katie locks the door at 10:30 every night except Friday and Saturday nights. She must remember to look up her key to the Hall door. It might come in handy.

By special reports from the library, Aristophanes must be quite a boy. Remember there are fines for those who do not return books to the library.

Well, all of the Stroller's buddies returned for Teachers Meeting and held a reunion. Class of 1901, that is. Maybe some day there will be courses that the Stroller can pass.

Have you heard Dean Steeby sing "I'm In the Mood for Love"? Who wrote that song?

The Stroller is much worried about how she can attend all of those good teas, banquets, and parties that are being held for the alumni next week. There are only 24 hours in a day.

He is beginning to worry about Bud and his mid-term tests. It's about time to open a book and at least look to see the pictures inside.

The Stroller has just learned that Bev and George Dunlap are cousins, really and truly.

Speaking of work? Mr. Garrett is conditioning his classes for a mid-term test every Wednesday. Oh, well, the Stroller still likes the lab after the last five and a half years.

The Stroller has had his teeth knocked out many times for trying to find out the secrets of Homecoming skits. Toothless is the name now.

He is starting a new section, "The Predictions." Around the 28th of this month there will be gay festivities somewhat like a homecoming. His last prediction is that some one will win the next football game. He will almost guarantee these to come true.

The Stroller really enjoyed the dance the other night. Especially Mrs. Helen Gee and Mr. Don Sonnedecker's jitterbugging. The Stroller suggests that they put on an exhibition for assembly some day.

Ring, ring, ring, goes the quad telephone and it's never for the Stroller but some guy that is never in. A certain gal at the dorm might check to see just where Joe is before she calls.

Congrats to Mr. Garrett on his new proprietorship. We hear that Molly has sixteen little Mollies!

them; but we don't want conquest of them by us.

"If to get the two worlds together by the other method—agreement—means that the Soviet must become democratic, or that we become Communists, then there is indeed no hope."

But Judd believes that the two ideologies can live together if they obey the same rules in regard to association with other nations. He believes this settlement can be achieved within the UN.

But it is not to the U. S. S. R.'s advantage that the UN works, which is the reason they have become so stubborn and have vetoed so often, he said.

Has World Organization

"The reason is perfectly clear. The Kremlin already has a world organization, the Communist party. It has more than a dozen countries under its complete control, plus trained, disciplined units in every other country."

"The remedy to such an intolerable situation is not to abandon the United Nations, or to continue to bypass it, but rather to strengthen it."

Dr. Judd then suggested the formation of the "club within a club."

Thank You

I thank the members of the faculty and student body for their expressions of sympathy at the time of the death of my father.

Mr. Myron Rose

This One Went to Market
Mrs. John Mauzey was puzzled when informed her husband had won a 225 pound hog. Officials at Clearmont wanted to know what to do with it. Because Mr. Mauzey was out of town, the instructions were, "Sell it!"

Pi-Omega-Pi Discusses Plans for Homecoming

Pi Omega Pi held its second meeting of the year Tuesday night, October 11, in Room 125.

Plans for the Homecoming luncheon for alumni at 12:30 p. m. in the First Christian Church, October 29, were discussed.

The officers are as follows: president, Don Prindle; vice president, Raymond Schuster; secretary, Thesis Robinson; treasurer, Don Kampman; historian, Norman Clouse; and reporter, Frances Huntsman.

An initiation service will be held for pledges and active members at the home of Mr. and Mrs. Blackwell on Tuesday evening, October 25, at 7:30 p. m.

Delta Sigma Epsilon Has Initiation Service

Alpha Phi chapter of Delta Sigma Epsilon held active initiation ceremonies for Betty Curry, Mary Jo Wynn, and Betty Conrad, October 5, in Room 101.

Following active initiation, nine new pledges received their pledge pins. Those pledged were Ivalene Crabtree, New Hampton; Mary Lou Moore, Linville, Iowa; Merry Ann Almkvist, Charlton, Iowa; Joan Harper, Carrollton; Helen Echterling, Maryville; Beverly Harvey, Blytheedale; Martha Hill, Coln, Iowa; Bedonna White, Blytheedale; and Evelyn Warford, Pattonburg.

Miss Shepherd Plans to Return
Miss Grace Shepherd of the College faculty is recuperating from an operation. She is doing well and hopes to be back on the campus soon.

Alpha Sigs Have Rummage Sale in Tent

The Alpha Sigs held a rummage sale Saturday, October 8, in a tent on the Maryville courthouse lawn. Several of the participants are shown left to right: Mary Francis Robinson, Jean Short, Katie Espey, Martha Clymens, Polly Cramer, Doris Jean Hamilton, Jane Boyard, Beverly Johnson, alumna, and Joanne Wright.

Deltas Honor Pledges With Informal Dance

The active members of the Delta Sigs sponsored a dance Saturday night, October 8, honoring the new pledges. A group of the Delta Sigs and their guests are, from left to right: Bud Iddings, Frances Kirkpatrick, Marion Sherer, Betty Conrad, Merry Ann Olmquist, Bob Lister, Richard Collison, Martha Hill, Mary Jo Wynn, Gerald Weed, Joan Groom, Bill Shell, Freddie Davis, and Margie Ketchem.

Sigas Have Informal Dinner at Country Club

The alumnae and active members of Alpha Epsilon chapter of Sigma Sigma Sigma sorority enjoyed an informal dinner at the Country Club, Saturday evening, October 8. Table decorations were purple asters and candy gum drops with the Phi Sigma Triangle on them.

After dinner the members and their guests danced to records and played bridge.

Alumnae and guests attending were Mr. and Mrs. Homer Ogden, Mrs. Harrison Mutt, Miss Nell Hudson, Mr. and Mrs. Harry Sheetz, Miss Violet Hunter, Mr. and Mrs. Floyd Houghton, Mr. and Mrs. Boyd Watson, Mr. and Mrs. John Schier, Mr. and Mrs. Fred Gatten, Miss June Byrne, Mr. and Mrs. Gerald Stults, Mrs. Virginia Coe Hammond, and Mr. Donald Sonnedecker.

Active and guests were Marilyn Alexander, Herbert Dennim, Margaret Berry, Bill Christianson, Peggy Ford, Herman Hausheer, Helen Fisher, Harrison Mutt, Jr., Mary Fink, Chuck Graham, Mary Jo Vernon, Bob Ward, Frances Richards, Roy Jenkins, Margaret Curry, Bob Bright, Phyllis Crawford, J. D. Elliott, Sharlene Marple, Bill Garrett, Joyce Smith, Johnny Wallace, Jean George, Bob Brandt, Mary Lou Rockwell, Jack Trost, Helen Joyce Moore, Frank Johnson, Nina Gilliland, Trish Thomas, Arlene Blank, Diane Dressler, Betty Wilson, Sarabel Davis, Ruth McDowell and Roberta Walker.

Informal Dance Honors New Pledges and Guests

Alpha Phi chapter of Delta Sigma Epsilon honored its new pledges and their guests with an informal dance and card party Saturday night, October 8, in the Bearcat Den.

Margie Ketchem introduced Jo Ann Groom who played two piano solos, "Now That I Need You" and "Again." J. C. Hall sang "You'll Never Know." The program was concluded by Fran Kirkpatrick's singing "I'm In The Mood For Love."

The engagement of Joyce King and Ralph Blank was announced and the traditional Delta Sig box of chocolates was passed. Following this, refreshments of doughnuts and cocoa were served.

New pledges who attended were Valerie Crabtree, Mary Lou Moore, Martha Hill, Merry Ann Olmquist, Joan Harper, Helen Eichelberg, Beverly Harvey, and Beulah White. Chaperones were Mr. and Mrs. Herbert Dieterich and Mr. and Mrs. Robert Gee.

Homecoming Parade Begins at 10 A. M.

Floats, Clowns, Jaloopies Will Move Up College Avenue at Start.

Flashing color, pounding feet, laughter, beauty and music will be the picture presented by the Homecoming parade, Saturday, October 22, at 10 a. m.

The parade will be composed of from 12 to 15 marching bands, resplendent in multi-colored uniforms, including the College band in new military styled, green and white dress. Floats, showing originality and beauty, at least a dozen of them, from college organizations, Residence Hall, and Horace Mann, will add dignity and show to the parade.

Clowns, jaloopies, any parade element that the organizations can devise will add to the gaiety and color.

All will be vying for prizes. For the floats there are five prizes: first, second, third, and fourth prizes are \$50, \$35, \$20, and \$10. The float showing the most originality will be given \$15. In addition, plaques will be given to the winners of first, second, and third places.

There will be prizes for the best clown, and prizes for the best jaloopy. The bands will be competing for honors.

George Silver, chairman of the parade organization and planning committee, says that nearly all plans are completed. A few details and loose ends are yet to be gathered, but this parade will be worthy of a grand Homecoming day, says Mr. Silver.

The parade will form in the vicinity of the residence of President J. W. Jones on College Avenue. The march up town and through the streets will give everyone an opportunity to enjoy it.

Student Teachers Hold Seminar at Horace Mann

"Discipline in the Secondary School" was the topic of the Seminar for Student Teachers, held October 13, in the Horace Mann auditorium.

Herman Freil, senior, Redding, Iowa, served as the co-ordinator of the meeting. Questions were answered by Mr. H. R. Dieterich, Horace Mann principal, and Mrs. C. A. Bristow, Maryville high school principal.

Alumnae Coffee Hour Will Be Held at Dorm

An informal coffee hour will be held for the returning alumnae in the lobby of Residence Hall from 4 to 5 on the afternoon of Saturday, October 29.

All of the former residents and other friends of the Hall are invited.

Ag Club Plans Float, Variety Show Program

The Ag Club held its first meeting of the year, Tuesday, October 4, in Room 222. The old members were present to welcome the new. This year's president, Othel Richards, presided. As the club reporter, Hubert Null, is not in school this year, Charley Hinchey was elected to fill the office.

Since the Ag Club represents the agriculture department in the Homecoming festivities, preparations were made by the appointment of various committee members. Those appointed for the Variety Show are F. B. Houghton, Jr., Kenneth Benham, Maurice Nelson, and Howard Breitenbuecher. Those chosen to supervise the construction of a float were Mac Jackson, Phillip Zapf, and Dick Phipps.

Alpha Sigs Hold Sale; Three Girls Are Pledged

The Alpha Sigma Alpha sorority held a formal pledge initiation, Wednesday evening, October 5, at the Edward Gray residence. Polly Cramer, sorority president, assisted by Betty Lou Lawrence and Miss Jessie Jutten, conducted the official ceremony before a candle lighted altar. The following girls were pledged: Lois Queck, Orient, Iowa; Jean Fulton, Fairfax; and Jo Stacy, Princeton.

The sorority launched its first money making project of the year on Saturday, October 8. The members held a rummage sale on the court house lawn. From 9 a. m. until 5 p. m. the girls worked busily selling all manner of garments and accessories.

Tri Sigma Pledges Take Vows at Chapter House

Arlene Blank, of Colo, Iowa, and Nina Gilliland, of Mooresville, took the vows of the Sigma Sigma Sigma sorority at the Alpha Epsilon chapter house, 423 West Fourth, Wednesday night, September 28.

After the pledging ceremony all the members of the sorority enjoyed a coke party.

Residence Hall Girls Entertain Faculty Dames

The Faculty Dames were entertained with a tea given in the lobby of Residence Hall on Sunday, October 2.

The receiving line included Sharlene Marple, president of Residence Hall council, Doris Jean Hamilton, chairman of the social committee, Mrs. Nell Thompson, house mother, and Miss Katie McKee, night chaperone. The girls of Residence Hall acted as hostesses.

Pink, yellow, and green were the colors decorating the tea table and an informal arrangement of pink roses formed the centerpiece.

Member of Missouri Press Club Is Impressed by Beauty of This Campus

Mrs. Hallie Barrow, of Clarksdale, Praises Northwest Missouri State's 1,900 Trees and Makes Favorable Comments About Other Phases of Visit Here.

By Hallie Barrow

I spent last week end inspecting some of my property and found it in such a flourishing condition that I returned feeling perfectly satisfied with the stewardship and management of my rich heritage. I hadn't been too aware of this property in Northwest Missouri; in fact, I had never seen it until I attended the annual meeting of my favorite club, the Missouri Press Women, held at Maryville last Saturday and Sunday.

We were the guests of the Northwest Missouri State College. When we thanked President J. W. Jones for asking us to tea at his lovely home and then taking us for a tour all over the campus and buildings, he graciously explained: "But this is yours. This college belongs to the people in Northwest Missouri and you are entitled to know all about it. Your taxes helped to build it and maintain it each year. We enjoy having the owners of this college come and see for themselves what a first-rate school belongs to them."

Campus Was Nursery One of the finest features is the campus with almost 1,900 trees of some 90 species. No wonder this campus ranks first in beauty among our state colleges and in the upper bracket of attractive campus sites anywhere. One of the main reasons is that originally this tract of land was a very successful nursery of the old-school type. The nursery was owned by the Gantz family, which had brought to this country a highly specialized profession.

The pines on the south side of the president's house are the largest I've ever seen and their deeply indented bark makes them look hoary with age. Hemlocks have not been crowded and show their full grace and beauty. The white birches grow large and have big trunks instead of the slender types we usually see. One college president, while traveling around the world, brought tree seeds from the Orient; some of these sprouted and flourished in their new environment. Some of the rare trees have been gifts of outgoing senior classes who had loved their tree-shaded campus. The high bush cranberry shrubs proved to us that we have something native here which can make the gorgeous display of red berries just as beautiful as those of the mountain ash which is so difficult to acclimate here.

The stately big house, used for the president's home, was the old Gantz place and can hold its own with many of the fine old homes one sees at Williamsburg or Natchez. The brick has been hand-made and often one side of the brick was rounded to fit in special requirements. The tops of the tall windows are all rounded and the date of its erection, 1870, is in white brick, set in one of the outside red brick walls.

Social Events in Home Inside, the rooms have high ceilings and the thickness of the brick walls shows up in the wide window ledges. Beautiful woodwork, hardwood floors and a most ornately carved walnut staircase is the feature in the big front hall. Since Doctor and Mrs. Jones moved in four years ago, under their guidance the house has been done over to conform to its original state and is furnished throughout (except in the kitchen) with rare and beautiful pieces of antique furniture, hangings and lamps. This was not done without purpose. Many college social affairs are held in the president's home and attended by the students. It is Dr. Jones' theory that a part of their education should include and have exemplified a picture of gracious living and how it is possible for them to accomplish this art.

Missourians are more inclined to brag about their mules, their hound dogs and their big corn fields. We don't often see stressed an admiration for the culture and gracious living of our pioneers. At least this phase has never been commercialized as it is so often over the southern states. But I can just almost hear some of those Northwest Missouri College students say in the future as they make some of those tours to famous homes in other states and pay a dollar to be shown through an old home with its aura of culture, its Colonial architecture, air of graciousness, harmony and charm: "Why we saw the very same thing in our prexy's house at Maryville."

President is Gardner Flowers were everywhere and when we asked if the college maintained a greenhouse to provide the lovely bouquets for the president's home, we were told Dr. Jones is his own gardener. He took great pride in showing us, his rose garden, his outdoor living room with its insect-repelling lights, his cutting garden and pool. Mrs. Jones, however, is the flower arranger and in one instance an old-fashioned Seth Thomas clock, minus its works, had been used as a shadow box.

We were taken down that long, tree-bordered walk from the president's house to the main college building with its famed towers. In the tour of the buildings, we found them neat, clean and freshly waxed to start Monday's classes.

If you haven't yet seen this parcel of property which is yours too, it's only a 40-mile drive from St. Joseph. If you love fine old trees and a beautiful setting, you really should see your Northwest Missouri State College at Maryville. —St. Joseph Gazette

Cramer and Espey Visit Alpha Sigma Convention

Among the two hundred people who attended the National Alpha Sigma Alpha convention at Port Huron, Michigan, August 22-26 were delegates from Phi Phi chapter, Polly Cramer and Katie Espey. At various meetings, girls from every chapter in the United States voiced their opinions and exchanged ideas on how their chapters were operated. The girls learned new songs and taught others the old ones.

During business meetings, revision of the national constitution and by laws was conducted.

All kinds of activities were made available to the girls during their stay at Gratiot Inn. They swam in Lake Huron, took a car trip to Ontario, Canada, a boat ride up the St. Claire river into Canada, saw a program presented by the Arthur Murray entertainers, and went on a hay rack ride to the sand dunes. The next national convention will be held at Roanoke, Virginia, in celebration of the Alpha Sig Golden Anniversary.

Students Have Formed College Male Quartet

J. C. Hall, sophomore; Manley Vance, senior; Wayne Stegman, post graduate; and Richard R. Miller, sophomore, are the students that compose the newly organized male quartet at the College. The main reason for its organization is the pleasure gained by the members through singing together.

The active interest by the members is shown by their regular visits to the conservatory.

Paul T. McNutt, chairman of the music department, has remarked that the quartet may go on the music tour sponsored by the College next spring.

Dance Club Sponsors Party for New Members

Members of the Dance Club gave a party for new members Tuesday, October 4, in Room 114.

Miss Mary Evelyn Goodman called for square dancing. Music was furnished by Mary Marie Schulte.

Refreshments consisted of cokes and Ritz sandwiches. Membership in the Dance Club is open to both men and women. Miss Goodman is the new sponsor.

Weddings

Helzer-Snowberger Mr. and Mrs. Clifford Helzer, of Graham, announce the marriage of their daughter, Louise, to William Snowberger, son of Mr. and Mrs. Arthur Snowberger, of Skidmore, October 1. Mrs. Snowberger attended the College.

Floyd-Juvenal Miss Virginia Floyd, daughter of Mr. and Mrs. John Floyd, of Albany and Charles Juvenal, son of Mrs. H. R. Juvenal and the late Dr. Juvenal, were united in marriage October 1. Mrs. Juvenal attended the College and taught four years in Gentry county. Mr. Juvenal is a member of the senior class at the College.

Aldrich Coaches at Winston Wilmer Aldrich, Class of '49, has been elected coach and social science teacher for the Winston high school.

Sigas Entertain at Maryville Country Club

An informal picture of the Sigma Sigma Sigma dinner, October 8, at the Maryville Country club shows, top row, Mr. Dan Emerson, Mr. and Mrs. Boyd Watson, Robert Briet, Margaret Curry, Jack Trost, Mary Lou Rockwell, J. D. Elliott, Phyllis Crawford, Mrs. Harrison Mutt, Mr. and Mrs. Bernard Gram, and Miss Nell Hudson; first row, Mr. Gerald Stults, Mrs. Virginia Coe Hammond, Mr. Donald Sonnedecker, Herbert Denham, Marilyn Alexander, Robert Brandt, Jean George, Frank Johnson, Helen Joyce Moore.

Frances Richards Wins 4-H Inter-State Honors

Frances Richards, a sophomore, was recently named "The Inter-State Girl of 1949." She was chosen from outstanding 4-H club members of northwest Missouri, northeast Kansas, southwest Iowa and southwest Nebraska. Miss Richards is the daughter of Mr. and Mrs. C. T. Richards of Jameson.

Miss Richards has an outstanding record, not only in projects com-

FRANCES RICHARDS

pleted, but in junior leadership and other community activities. She has been in 4-H for eight years and in that time she has won 155 blue ribbons, 5 gold medals, 2 leadership awards, and in addition, has made a trip to a national club event. She has completed many projects in poultry, clothing, food preparation and preservation, home furnishings, and home grounds improvement.

She was presented a one hundred dollar savings bond and two dozen red roses by John Redmond, president of the St. Joseph Junior Chamber of Commerce.

Frances is a music major and is music chairman of Sigma Sigma Sigma sorority.

Two Sponsors Entertain Phi Sig Fraternity Men

The members of the Phi Sigma Epsilon fraternity were guests at a reception held in the H. R. Dieterich home Sunday afternoon, October 1. Mr. and Mrs. Dieterich and Mr. and Mrs. W. T. Garrett were the hosts and hostesses at the reception.

Ice cream, cookies, and cokes were served.

Mr. Garrett and Mr. Dieterich are sponsors of the Phi Sigma Epsilon fraternity.

Dinners

6:00 p.m. - Barkatze Chili Supper, Bearcat Den.

6:30 p.m. - Alpha Sigma Alpha Founders Day Banquet, Country Club.

6:30 p.m. - Sigma Tau Gamma, American Legion Home.

John Koffman Goes to Tennessee

John Koffman, freshman, was absent from classes Friday. Reason? He went to Edison, Tennessee, to see his great grandmother, Mrs. Robert Koffman, 100 years old on that day. John, her first great grandchild, didn't want to miss the birthday celebration.

Willis E. Goza, Class of '39, who lives in Fort Savaca, Texas, requests a two-year subscription to the College paper.

Sorority Picks Norine Norris for Alpha Honors

Who is the typical Alpha Sig? Phi Phi says that Norine Norris is the typical girl from this chapter.

Each chapter of Alpha Sigma Alpha will feature a typical girl in

NORINE NORRIS

the November Phoenix, the Alpha Phi magazine. Explanatory articles about the girls, accompanied by their pictures, will be published. As was Norine, all of the girls will be chosen for their versatility, participation in school activities, and scholarship.

Homecoming Will Feature Maryville--Cape Girardeau Game Saturday

Teams Are Matched Evenly for Contest

Coach Ryland Milner Will Utilize Open Date for Excessive Drill.

Game Week From Saturday

Coach W. Goddard's Indians Have Spirited Team Sparked by 16 Returning Lettermen.

The Indians from Cape Girardeau will attack the Maryville Bears Saturday, October 29, with a scalping idea in mind for the afternoon homecoming battle at 2 p. m. Co-captains, Don Hartness, Norman James, and Marvin Weed will lead the Maryville team into its forty-third homecoming game.

Coach Milner will be grueling his team into top condition for the contest. Conference play thus far has resulted in one loss, and with an open date this week end, chances are that the Bears will be drilled in blocking and tackling—weak points in previous games.

Opponents Seek Revenge

Cape Girardeau, under the direction of Coach Wayne Goddard, will be seeking a revengeful score as a result of a homecoming spoiled by Maryville last year in Houck field at a tune of 14-6. This year the Indians have 16 returning lettermen spirited to produce a better season than was accomplished last year.

Cape lost its first contest of this year to Durant Teachers of Oklahoma, 8-0, but then clicked with two straight victories—one over Culver-Stockton, 17-7, and the other over Southern Illinois, 25-7. The Culver-Stockton win, incidentally, was the first football victory for Cape since November of 1947. Last Friday the Indians played the Kirksville Bulldogs in a homecoming tilt, while the Bears journeyed to the Springfield gridiron to play the Bears' last year's co-champions.

Bears Beat Rockhurst
Beginning with vigor the 1949 season the Bears surmounted the Rockhurst Hawks, 27-13, and then the following weekend downed the College of Emporia, 21-0. Home games, however, resulted in losses against Northwestern Louisiana State, 31-14, and Rolla, the first conference foe, 41-13.

Skipping around a few corners, one may compare each team with a common opponent. Cape has played Warrensburg and lost 21-6; Warrensburg played the Rockhurst Hawks and won 35-6; Maryville beat Rockhurst, 27-13.

Statistically there is a vague comparison, but the most important aspect of Saturday afternoon's ultimatum will not be determined by previous statistics, but rather by the influence of a spirited homecoming crowd gathered in new Memorial stadium to support its team to victory.

COLLEGE PLANS GALA EVENT FOR VISITORS
(Continued from Page One)

man" on the latest issue of "Capitol News." Of him the magazine has this to say, "California's impression of Benny Strong and his orchestra is that they are an entertaining gang and an aggregation which emphasizes danceable tempos above all else. His records are selling as briskly as any band's and better than most."

Dance Will Begin at 11
The dance will begin at 11 o'clock and will last until 1 o'clock. Admission is \$2.50 per couple and \$1.50 per person. It will be held in the main gymnasium and will be informal.

Homecoming trophies will be awarded at the dance. Besides the wall plaques for the individual contests, a supremacy trophy will be awarded.

Point Basis Is Emphasized
It is awarded on a point basis of 5-4-3-2-1 for placing in the variety show, parade participation, house decorations, and all around homecoming cooperation, participation, and spirit.

Each organization sponsoring a function for the alumni gets one point toward the trophy. The type of work done by the representatives of organizations, the cooperation of organizations in decorating, clean up, etc., will be evaluated and used as a basis for awarding points to the organizations contributing most to homecoming and probably will be deciding factor for the trophy.

Traveling Trophy Is Used
The supremacy award is a traveling trophy which must be won three times before it stays in its possession permanently. Last year, the first time it was awarded, the trophy was won by the Sigma Tau Gamma fraternity.

Monty Pitner submitted the best idea to the Homecoming committee. He suggested that a school rouser or pep song be adopted. The organization which composes the best school pep song will be awarded an extra point for the supremacy trophy and will be given the privilege of introducing the song at homecoming. All song entries should be submitted to Bill Elam or Jane Howard no later than 4:00 p. m. today, October 19.

Bearcats Surprise Bears; Tie, 14-14

Maryville's Team Bounces Back to Favor After Defeat by Miners.

The Bearcats, recently defeated by the Rolla Miners, recovered from their losing streak by holding the favored Springfield Bears to a 14-14 tie last Friday on their opponents' field. It was a tense, nerve racking, conference game between the defending co-champions of the M. I. A. A. conference.

Springfield twice had to come from behind to achieve the tie.

After a scoreless first quarter in which Maryville threw back one Springfield thrust that reached the 8, the Bearcats started a march of their own for their 22. A 15 yard penalty set them off. Bob Hemenway gained 16, and Norman James 17 in the drive. With Marvin Weed chipping in several smaller gains in smashes at the tackles.

James went over from 15 yards out and Don Hoffman kicked the extra point.

Maryville Line Holds
In the second quarter the rugged Maryville line halted Springfield drives on the 5 and 18.

Springfield scored 46 seconds after the third quarter opened on a Ray Forsythe to Bob Dees pass. With the latter laterally to Paul Dees who went 33 yards to the touchdown. Forsythe booted the point.

Maryville bounced back and got as far as the 21, but a misguided lateral cost 12 yards and spoiled their march.

Weed Recovers Fumble
Weed recovered a fumbled Springfield lateral on the 29 late in the period to set up the second scoring thrust. A 15 yard penalty against Springfield helped, and Zuchowski galloped to the 5. Weed finally went over from the 2 early in the period and Hoffman added the point.

Springfield scored soon afterwards as Lees set it up with a 33 yard run, James overhauling him on the 32 after a spectacular chase. It took six plays from there for Springfield to score. Joe Stevens plunging across from the 2. Stevens also plunged the point.

Maryville missed an opportunity to unknot the count when Weed went deep into Springfield territory on a 28 yard run and James galloped 21. The Bears dug in on their 24 late in the threat.

Individually, Springfield's Lees was outstanding as he gained 194 yards of the 304 credited to the Bears.

The Summary

Yards gained	304	214
Yards lost running	44	39
First downs	19	10
Yards gained passing	104	5
Passes completed	6	1
Passes attempted	15	6
Passes intercepted by	2	1
Fumbles	2	2
Opponents fumbles rec.	0	1
Yards last penalties	55	30
Punting average	23.3	42.2

Mack Miller Discusses Values of Fraternity

The Dream Kitchen was the scene of much activity, Tuesday evening, October 4. Nu Chapter of Phi Sigma Epsilon held its annual fall smoker for prospective pledges. Twelve guests attended the smoker.

Coffee, sandwiches, and potato chips were served buffet style. Oligettes were served in a "help yourself" manner. Guests and active members of the fraternity played cards for entertainment.

Mack Miller, an alumnus member, gave a short talk on the values of fraternity life in college.

Mr. H. R. Dieterich and Mr. W. T. Garrett, fraternity sponsors, and Mr. Robert F. Gee, an honorary member, were present at the smoker.

Nine Men Begin Phi Sig Fraternity Pledges

Nine men began their pledgeship to the Phi Sigma Epsilon fraternity Wednesday evening, October 5. They started a pledgeship which will last until just before the Christmas vacation. The pledges are Ted Baldwin, Maryville; Terry Noah, Calinsville; Johnny Carlson, Shenandoah, Iowa; Bob Brandt, Galesburg, Illinois; Bob Breit, Savannah; Bill Pease, Mound City; Bob Arthur, Kearney; Earl Brasfield, Chillicothe; and Bill Blohm, Dexter, Iowa.

A pledge dance in honor of these men will be held November 5, at the Country Club.

Miss Wilson Is at Stephens
Miss Janet Wilson, an August, 1948, graduate of the College, is now on the faculty of Stephens College at Columbia. She is also completing work toward a master's degree in home economics. Miss Wilson is a niece of Mrs. Hubert Garrett, a college library assistant.

Mr. Wright Attends Field Day
October 19, Mr. R. T. Wright, chairman of the agriculture department, will attend Jersey field day at Chillicothe. This show is sponsored by the Missouri Jersey Parish Number 8 and will be attended by the representatives of all Northwest Missouri counties. Mr. Wright is president of the parish.

THE BEARCATS OF 1949—FRONT ROW, left to right, Dale Hague, Charles Ollerman, Bob Barrett, Walt Stanton, Pete Younger, Ken Jones, George Haws, Bud Lemmon, Bill Coulter, Bob Hemenway, Chuck Graham, Kirby Lyle. SECOND ROW, Marvin Free, Gaylord Meyers, Glen Price, Paul Tobin, Bob Brandt, Don Hoffman, Alvin Wormsley, Warren Gresham, John Yurchak, George Coulter, Wayne Kinman, Al Henningsen, Max Hochenauer. THIRD ROW, Coach Dewey Allgood, Don French, Bill Stone, Fred James, Darrel Johnson, Ken Reynolds, Charles Fox, Charlie Thomas, Dick Hollenbeck, Carol Cox, Gerald Weed, Don Hartness, Phil Carter. FOURTH ROW, Byron Christie, Larry Fett, Mark Burns, Duane Newman, Herb Hill, Bob Maxwell, Ralph Pierce, Bill Davis, Bob Hitzelberger, Joe Gardner, Wilbur Pollard, Clyde Thompson. FIFTH ROW, Marvin Weed, Pat Zuchowski, Glen Sherry, Norman James, Burton Richey, Joe Zelenz, Bill Sherman, Giles Henggeler, Bob Osborn, John Hellerich, Coach Ryland Milner and Coach Lon Wilson.

Miners Dig Up 41 Points With Six Touchdown Tallies; Bearcats, 13!

Maryville Bearcats Sacrifice Their First Conference Debut; Coach Bowman's Squad Rallies in Second Period to Win After Thirteen Point Deficit.

Out of Rolla came the Miners and their speedy mole-skin crew to blast the Maryville Bearcats to the tune of 41-13. Coach Bowman's Miners turned what seemed to be a Bearcat victory, in the first quarter and during a few minutes of the second stanza, into a complete rout with the lads from Rolla on top of the heap.

Rolla needed but two quarters to undermine the early lead built up by Maryville. After the Bearcats moved into a 7-0 lead in the first quarter and added 6 more for a 13-0 lead in the second period, the Miners took over and from then on it was all Rolla. With Whitney, Dowling, and Schmidt pacing the attack, Rolla reared to life with three markers and two extra points to hold a half-time lead of 20-13.

Coming back after intermission, both teams were ineffective in the third stanza, the only scoreless period of the game. During the final period the Miners began scoring at will and crossed the double chalk stripe three times while Wohlerst was successful in splitting the up-rights all three times to bring the total scoring for the fourth quarter to 21 points.

Maryville Scores on Pass
A Rolla fumble in the first period on their own 48 yard stripe was recovered by Don Hartness and set up the first Bearcat tally. Weed, Zuchowski, and James moved the ball to the 18 and a pass from Richey to Zuchowski was good for a score. Don Hoffman's kick was good, Maryville 7, Rolla 0. Rolla received the kickoff and moved to the Bearcat 30. The drive was highlighted by a 30 yard dash with Whitney totting the leather behind beautiful interference. However, on the very next play Yurchak broke through the Miner line and smeared Huffman for a 30 yard loss, nullifying Whitney's mighty run. James then proceeded to swipe Schmidt's pass and hauled it to the Rolla 40. Weed and Zuchowski drove to the Miner 29 as the quarter ended.

Opening the second stanza Weed tossed to Richey who in turn tossed to James who went over for the touchdown. Hoffman's kick was no good. Bearcats 13, Rolla 0.

Huffman Scores for Rolla
Rolla put the ball in play on their own 20, after the kickoff. Schmidt tossed a pass to Dowling in the flat and the Miner speedster raced all the way for a Miner touchdown. Again Whitney's run was to no avail as the Miners were penalized back to the Rolla 46 for clipping. On the next play Schmidt faded to pass but couldn't find a target and elected to run. It was a wise decision; he picked up about 30 yards carrying to the Maryville 24. Whitney and Wohlerst carried a pass to Huffman who went over for the score. Bearcats 13, Miners 7.

The Miners kicked off to Maryville and held the Bearcats on their own 35. Wormsley's punt was blocked and Rolla took over on the Maryville 30. After a running play

picked up two yards, Schmidt heaved a forward to Whitney who was hit on the one yard line. On the next play Dowling smashed over for the score. Wohlerst added the point to make it 14-13, Rolla on the long end. The Bearcats were penalized 15 yards for unsportsmanlike conduct on the try for point and Rolla kicked off from the Maryville 45. The Miners held the Cats and forced them to kick. Huffman grabbed Wormsley's punt and raced 63 yards to the Bearcat 32 before being eased to the turf. Whitney then exploded through the middle of the line for the remaining 32 yards and a score. Weed broke through to block Wohlerst's try for point. The kickoff was short, Hochenauer taking the ball on the Cats' 46. At this point Maryville started what looked to be a touchdown drive. Passes from Richey to Coulter and Richey to James and an interference ruling on another pass to James moved the ball deep into Miner territory. The drive was stopped when Blanche stole Richey's pass on the 18. The half ended Rolla on the long end of the score 20-13.

Marvin Weed Is Injured
Marv Weed was injured on the first Bearcat play of the third period and was assisted from the field. Richey tossed to Zuchowski who fought his way for 23 yards to the Maryville 48. Zuchowski took another Richey pass and laterally to G. Weed who was finally dropped on the Rolla 15. The Bearcats failed to make a first down and the Miners took over. However, on the next play Rolla fumbled and James recovered on the 24. Rolla worked out of the jam by stealing another pass to still the Bearcats' roar. The third quarter ended as Whitney took a Maryville punt and ran 41 yards to the Bearcats 31.

Final Quarter Is Wild
The wild fourth stanza opened with a Miner running play which carried to the 26. Schmidt then pitched a strike to Whitney who went into the end zone unmolested. Wohlerst's automatic toe made it 27-13. Maryville was held inside their own 20 on the kickoff and an attempted flat pass was fumbled on the 6 where Schoepel recovered for the Miners. Rolla proceeded to take advantage of the opportunity. A flat pass to Kwades was good for 5 and Dowling plunged the remaining yard for another score. Wohlerst made it 34-13 with another perfect placement. The Miners held Maryville after the kickoff and the Bearcats were forced to punt. Hemenway's boot bounced around and was finally picked by Frank Richey, a reserve quarterback on the Rolla 12. Richey then went into a tight wire act and threaded his way up the North sideline for 68 yards and another Miner tally. Wohlerst made his kick good for the fifth time and the score was 41-13. The rest of the game was a seesaw battle between Bearcat reserves and Miner reserves. Final score, Rolla 41, Maryville 13.

Faculty Members May Receive Health Service

With the beginning of the fall quarter, the Health office has offered to all faculty members, a service similar to the student health program, for the service and convenience of each department.

Under this plan, the faculty has been invited to take advantage of one or more of the physical aspects of an examination: a complete eye examination, by means of the telebinocular method; and an ear examination, by means of the audiometer machine; blood pressure reading; serology test for syphilis; tuberculin patch test to determine the presence of the tubercle bacillus; height and weight reading; and other points included in a routine physical examination.

Comments have been favorable on the parking methods employed during football games. More cars can be placed with less congestion. Fans who saw home football games were enthusiastic in approving the new stadium. Any seat in the steel structure affords excellent views of the playing field.

Success of a winning team hinges on a strong backfield with a line of unit strength. The Bearcat forward wall has sufficient tonnage and material strength in most positions. On the wings Ken Jones and John Yurchak are capable linemen along with Gene Weed and Al Henningsen, who is a steady target on forward aerials. Joe Gardner, Don Hartness, Bob Osborn and Gus Henggeler are husky defensive tackles and, operating with Whitey Meyers and John Hellerich, form a battering ram for offensive movements. The opposition has found Max Hochenauer tough to move from his guard slot. Added strength at guard is furnished by Pete Younger and Bud Lemon. Balancing the forward wall is Wilbur Pollard, a veteran at the pivot post, and Don Hoffman, who works well over the football. The Bearcats possess beef and experience up front.

Burly Max Hochenauer may be found during the evenings absorbing the works of perhaps Keats, Byron or Longfellow. The Bearcat grid guard has high esteem for these masterpieces. Sonnets along with light comedy readings are preferred by the "Cannonball." Through inspiration from his readings, Max has entered the field of literary writing. Men desiring to read Hoch's musings can do for a nominal fee and girls may dwell in his theories on the condition he may date them on week ends.

The entire nation followed the World Series again this year, a reminder that athletics is an important part of our America. Young and old listened to the efforts of eighteen players and six umpires in the greatest classic of the game. Whether hearing of a tremendous home run by the ageless Dimaggio or a called third strike spun by crafty Preacher Roe, the result was the same. Although extending into the football season, the Series lost none of its magnetism. A number of major league

Swimming Pool Is Open! All Invited
Coach Allgood Reminds Clubs of Inter-squad Meet in November.

The swimming meet is drawing nearer and nearer! Have you started to get ready for it? The meet is scheduled for November and it is now the third week of October. Many have been down at the pool getting ready, and the competition is going to be rough.

Coach Dewey Allgood encourages members of all organizations to look in the Intramural handbook and to find the event they wish to enter, and to submit to him the team members and the event. Here is an opportunity for the frats and sororities to win fame, if not fortune, on the campus.

There is a rumor that the Sigma Tau Gamma fraternity has some good swimmers and that the Tri Sigma are the smartest of the sororities, but this is a chance for the other clubs to show their superiority in the fine art of swimming.

The pool, which was closed last week for repairs, will be open Saturday after the end of the football season, so that those who study a night may more easily get some swimming practice for the meet in November.

This school has one of the best college swimming pools in the State. Use it. Girls, the life guard, a blond is unattached.

Tennis Tourney Winners Will Gain Place on Team
According to Dr. Frank V. Grube, the placement of members on the spring tennis squad is dependent on the outcome of the tournament. Each player in the tournament will receive a number according to his position at the end of play. Those numbers will place him on the squad.

Contenders in the semi-finals of the championship round are Marvin Carmichael, Don Willis, Richard Carroll, and Ronald Wood. The losers in the first and second rounds of the championship will go into the consolation bracket.

Students interested in men's doubles and mixed doubles are now registering.

Barretts Visit Maharg
Mr. and Mrs. Dick Barrett visited in the Veterans Village Sunday, October 2, with Mr. and Mrs. Hubert E. Maharg. Mr. Barrett, a graduate of the College, is Mrs. Maharg's brother.

"Every Student Get A Student" is the slogan for '49!
